

Parents of 5, 6, and 7th Graders:
Middle School Dances Will Need Your Help for 2014-15

The Recreation Department will continue sponsoring dances for 6, 7, and 8th grade students for next year. Chaperones play a key role in ensuring the dances provide a safe, respectful and fun environment by following a set of rules; therefore we can't run a dance without them. In order to provide the best quality dances we are asking for the parents of students in these grades to step forward and help out.

What is needed?

- A pool of parents willing to chaperone at least 1 dance during the school year.
- 10-12 volunteers at each dance. Proposed dates are: Sept 12, Oct 3, Nov 7, Jan 10, Mar 6, and May 8

How can you help?

- Become a TOWN CORI' d parent by stopping by town hall (with your driver's license) to fill out the CORI form (different from a school CORI) in the selectmen's office **Monday 8:00am - 6:00pm; Tuesday-Thursday 8:00am - 4:30pm; Friday 8:00am - 12:00noon**
- Email recreation@town.pepperell.ma.us to be part of chaperone contact list.

What are the perks of being a chaperone?

- You are allowed 2 FREE student guests who do NOT need to purchase or reserve a ticket.
- You will have the satisfaction of keeping a great social platform for the middle school students.
- You will enjoy a night of good music and moments that will take you back to your own middle school dance memories.

Please take some time to consider helping the Recreation Department out by adding your name to the chaperone contact list as I look forward to many returning and new faces for the 2014-15 school year.
